

Schonstedt magnetic metal locators

For over half a century, Schonstedt has been an industry leader in designing and manufacturing locators of buried ferrous metal objects

Schonstedt magnetic locators detect buried ferrous metal objects up to 18' / 5.5m deep. Our innovative HeliFlux sensors make our instruments highly sensitive and accurate.

Maggie

Optimized for Water & Gas

- Pistol-grip
- Audio + Visual Display
- Highest Accuracy

Most versatile

Spot

Optimized for Construction

- Ultralight Weight
- Audio
- Lowest Cost

Most ergonomic

GA-92XTd

Optimized for Large Utilities

- Extends/Retracts
- Audio + Visual Display
- Includes Holster

Most portable
